

Pour It Out

2nd Movement, Hungry for Heaven, hungryforheaven.com

Pour heaven on me. Pour heaven on me.
Keep me safe from evil.
Put fire in my bones.
Help me play the part
Make me burn with passion.
as you make me whole.

Pour it out! Pour it out!
You're the man with answers.
Listen to my questions.
You're the one who cares.

Wanna feel your presence,
know your essence.
Wanna do a slow dance.
Spirit, romance.

I'm hungry for heaven.
Pour it out right now.
Rain it down from on high.
Would you please satisfy?
Hungry for heaven.

There's a feast waitin' for me.
Got good manna and wine.
Oh, the guests are all lovely
at this party divine.

When will you excite me?
Please invite me.
How you gonna treat me
if sin defeats me?

Melt my pride, my clutching,
my lust, my vengeance.
I will obey your laws for love, not for fear.
This is the way I will draw you near.

I stand gazing in the mirror,
reflecting back the weight of years of care,
surrounded by the arms
of the ones who are always near.

I kneel, begging for release
from heavy debts and broken promises.
Discomfort in my bones
is far less than the pain of not knowing.

Wanna feel your presence,
know your essence.
Wanna do a slow dance.
Spirit, romance.
