Karl Miller

$\text{♩} = 100$ *mf*

Soprano

When I first saw the cit-y, it was cov-ered in haze, a low dark cloud that
 When I walked in the cit-y, the air al-most choked me, a gri - my mist full
 When I stayed in the cit-y, I got used to the stench, kept my head down, did -
 When I walked from the cit-y, it all be-came clear - er and I could breathe I

Alto

When I first saw the cit-y, it was cov-ered in haze, a low dark cloud that
 When I walked in the cit-y, the air al-most choked me, a gri - my mist full
 When I stayed in the cit-y, I got used to the stench, kept my head down, did -
 When I walked from the cit-y, it all be-came clear - er and I could breathe I

Tenor

When I first saw the cit-y, it was cov-ered in haze, a low dark cloud that
 When I walked in the cit-y, the air al-most choked me, a gri - my mist full
 When I stayed in the cit-y, I got used to the stench, kept my head down, did -
 When I walked from the cit-y, it all be-came clear - er and I could breathe. I

Bass

When I first saw the cit-y, it was cov-ered in haze, a low dark cloud that
 When I walked in the cit-y, the air al-most choked me, a gri - my mist full
 When I stayed in the cit-y, I got used to the stench, kept my head down, did -
 When I walked from the cit-y, it all be-came clear - er and I could breathe I

S. blocked out the sun but not the pret - ty gate.
 of long de - cay that cov - ered ev - ery - thing.
 n't look a - round and I lost track of life.
 shook off the dirt and went back home to you.

A. blocked out the sun but not the pret - ty gate.
 of long de - cay that cov - ered ev - ery - thing.
 n't look a - round and I lost track of life.
 shook off the dirt and went back home to you.
