I saw a wo - man wand - 'ring in the des - ert
When I got close I saw her skin was blis - tered
She said the cit - y had been too cruel to her
It seems to me you may be hurt - ing out here
Then she turned and walked far - ther from the ci - ty

Just out - side the ci - ty line
I asked if she need - ed help
Time there made her run a - way
I said as twi - light deep - ened
And past her I saw oth - ers

I called out to her from a dis - tance to where she
 She said she was hap - py to be there as she left
 She felt bett - er out in the wi - ld but her cracked
 I am just fine she said with a scowl and I'm nev -
 Spread out, sad tor - ches in the des - ert I called to
