 My spirit sings

1. My God has been good to me
 Blessing me with life and with love
 Everyone will know that I am blessed
 Everyone will know that God is good. (Refrain)

2. Holy is your name O my God
 Your name will last forever more
 You share your love with those who honour you
 Holy is your name forever more. (Refrain)

3. Mighty ones are taken from their thrones
 Poor and lowly people raised on high
 The selfish and the greedy are sent away
 The hungry have been filled with all good things. (Refrain)
